

3rd - 5th Grade: Get to Know Ya Bus

Team Building

Lesson Description:

No matter how you arrive at school, today we will be taking a trip on the “Get to Know Ya Bus!” In this team building activity, we will learn more about peers in our class and find out how we are both similar and unique.

Materials Needed:

- None

COVID Considerations:

- We will be conducting two activities that require space and movement of students.
 - In the first activity, students will need to be arms width apart because we will be flailing around.
 - In the second activity, students will be walking from one side of the room to the other and talking in dyads or triads.
- Students should have no physical contact during these activities. However, in light of this information, please take all necessary precautions to mitigate risk of COVID.

Program Connection Information

Please use an external microphone (conference style) rather than the integrated one in the computer for the audio for your class and locate it centrally in the room. It can be difficult for the Greenbush teacher to hear the students using the computer microphone and therefore it reduces the interactive nature of the lesson. It is fine to use the computer webcam for your video source though.

All classes will take place using Zoom desktop video. You may need to download Zoom launcher software ([free download](#)) if you don't already have it. This needs to be done in advance of the lesson.

It's always a good idea to touch base with your district technology facilitator prior to your program to make sure all systems/equipment are in place and operational and no firewalls that might prevent you from connecting to Zoom.

Once you have received confirmation of your scheduled lesson, a Zoom link invitation will be sent to you via email. This invitation will be specific to your scheduled time and date; therefore it will not work for any other lessons hosted by the Greenbush Student Enrichment Department. If you have students connecting remotely, please remember to forward this invitation to them.

Once you connect, you will enter a Zoom waiting room. Your Greenbush teacher will admit you into the final meeting room.

If you have questions, please email Amie Beggs at amie.beggs@greenbush.org or Emily Joy Roth at emily.roth@greenbush.org.
