Projected Timeline for Billing Dollars:

1. Provider logs service.
2. Two times per month Greenbush submits services to Kansas Medicaid on behalf of your district/network. (*Thursdays*)
3. On the Monday after a claim is submitted, Greenbush finds out if the claim has been PAID or DENIED. (*See enclosed chart*)
4. If paid, Kansas Medicaid sends a check the NEXT Monday or Tuesday to Greenbush. Greenbush enters the check into the next round of payout dates.
5. The district/network receives a check from Greenbush that equals the amount received from Kansas Medicaid minus 6%.

Medicaid allows for billing up to a year from date of service. Claims are always being reworked and resubmitted through the system. The best way to ensure a steady flow of revenue is complete documentation on the child receiving services and consistent and timely logging by providers.
