

MONEY MATTERS

MONEY MATTERS

Using the story “Alexander, Who Used to Be Rich Last Sunday” by Judith Viorst, students will learn the difference between goods and services and show how to make responsible decisions regarding money.

Kansas College and Career Ready Standards for HGSS: Economics

STANDARD 1: Choices have consequences

Advanced preparation by the classroom teacher:

Alexander...Story: Each student will need 100 pennies (either real, manipulatives, or paper cutouts) and a copy of the recording sheet and pencil.

Sort It Out: Wants and Needs: Copy one set of cards (three pages) per pair of students and cut apart.

Program Connection Information

Please use an external microphone (conference style) rather than the integrated one in the computer for the audio for your class and locate it centrally in the room. It can be difficult for the Greenbush teacher to hear the students using the computer microphone and therefore it reduces the interactive nature of the lesson. It is fine to use the computer webcam for your video source.

All classes will take place using Zoom desktop video. If your building is already set up to use a desktop video application with a computer, simply open a browser and enter <https://zoom.us/j/3662120241> in the URL space. You may need to download Zoom launcher software (free download) if you don't already have it. This needs to be done in advance of the lesson.

If using a Polycom video conferencing unit (or any legacy type video conferencing unit) to connect to a ZOOM conference, make sure the unit is in "encrypted mode" then dial the following IP on the internet: 162.255.37.11 or 162.255.36.11 and once connected, they will ask for a MEETING ID: enter 3662120241 (for Sharon at Science Center).

It's always a good idea to touch base with your district technology facilitator prior to your program to make sure all systems/equipment are in place and operational and that there aren't any firewalls in place that might prevent you from connecting to Zoom.

Once you connect, you will enter a Zoom waiting room. Your Greenbush teacher will admit you into the final meeting room.

If you have questions, please call Sharon Bertolio at Greenbush, 620-724-6281, or email at sharon.bertolio@greenbush.org (best method of contact).
