6-8 Creative Solutions

Social-Emotional Character Development

Lesson Description:
Use critical thinking and teamwork to MacGyver your way out of some sticky situations! During this entertaining game we will be discussing the importance and value of others' thoughts and opinions.

Competencies:
- SECD.MS 2.10 - Identify, state, and demonstrate problem-solving processes
- SECD.MS 4.7 - utilize external supports and describe common and creative strategies for overcoming or mitigating obstacles
- SECD.MS 5.4 - Demonstrate a growth mindset and a willingness to integrate diverse points of view

Materials Needed:
- Students may need a piece of paper and a pencil for our debrief at the end.

Advanced Preparation/Things to Note:
- We will be asking your students to work in groups of 3-5 students.
- Virtual students will need the zoom link
  - If there is one virtual student they will need to be able to discuss/ partner with some of the students in the classroom via a classroom device.
  - If there is more than 1 virtual student, we can put them in a group together on zoom.
