Pathway application assistance offered via recorded tutorials

Time is precious, and now more so than ever! So, when it comes to completing your pathway applications for the 2021-22 school year, here are some helpful resources that you can review on your own time. Also, please reach out to me for a one-on-one session with your district if you want more personalized assistance.

~ If you are adding new courses to existing approved pathways, OR you are adding new pathways next year, those new 21-22 pathway courses need to be submitted for approval in the KCCMS system by **FEBRUARY 1**.

~ The application window to submit ALL pathways for the 2021-22 school year closes on **MARCH 1**. Remember, all pathways need to be submitted for approval, including existing pathways that were previously approved by KSDE.

~ I have broken down each section of the application and created short, step-by-step **TUTORIALS** to guide you through the application process. Work on a section at a time and contact me with any questions!

Plans in full swing for virtual event

A lot of behind-the-scenes work is currently being knocked out for the first-ever, all-virtual, month-long **Kansas CTE Conference**.

The following is an approximate timeline for the event:

- ✓ January 6 - Tentative agenda sent to presenters for approval
- ✓ January 11 - Session schedule for February conference posted on the **KAESA website**
- ✓ Mid-January - District registrants should receive a spreadsheet to enter the names of attendees.
- ✓ February 1 - Virtual Conference Kicks Off

Prior to Feb. 1, attendees will receive registration information for specific sessions. Sessions will be recorded, and attendees will have access to all recordings. Up to three hours of undergraduate college credit can be earned through Pittsburg State University. Click **HERE** for more information.

WHAT

Undergraduate credit hours from Pittsburg State University. Four hours of virtual sessions combine for 0.5 credit hours. You may take up to three hours of credit.

NUMBER OF SESSION HOURS COMPLETED	CREDIT HOURS EARNED	COST
4	.5	\$55.00
8	1.0	\$109
12	1.5	\$168.50
16	2.0	\$208
20	2.5	\$207.50
24	3.0	\$207

Wamego students participate in Internship Interview Day, Senior Expo

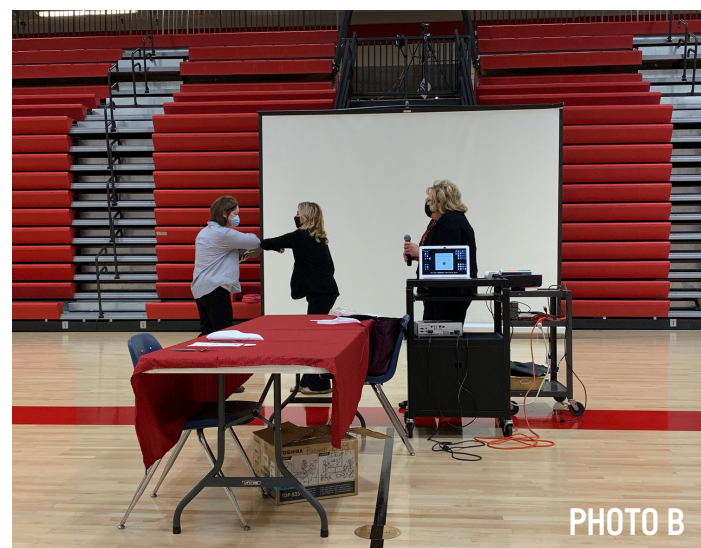

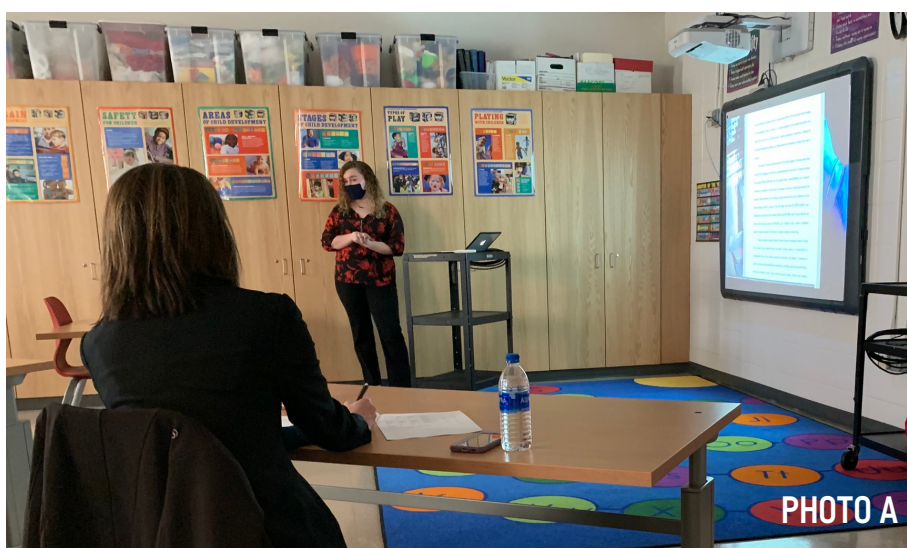

Wamego USD 320 understands the importance of how internships and work-based learning experiences lead to post-secondary success, and students were recently recognized for their work outside of the traditional classroom.

Tammy Biswell, CTE Coordinator, and Crystal Brunner, Internship Coordinator, joined forces to celebrate their respective students. On Dec. 10, students presented their internship experiences to local community members, including photos, reflection, and how their experience and future plans tie into their Individual Plan of Study. (Photo A)

The students were honored at a luncheon where several new members were inducted into the National Technical Honor Society. (Photo B)

Then, on Dec. 14 and Dec. 16, the interns set up booths to share their internship experiences with students, staff, administration, and community members. One of the intern students was Senior Page Nelson. (Photo C) Through her internship, she started her own business of detailing vehicles. She said this entrepreneurial experience led to a job with a local business as an automotive detailer.
