

Teacher Leader Cadre

****Teacher Leader Cadre Goals:**

- Empower outstanding teacher leaders
- Strengthen leadership skills, instructional practices, and professional relationships

****Benefits for Teacher Leaders:**

- Learn from and collaborate with like-minded and motivated educators
- Elevate performance to the next level

****Administrators' Role:**

- Recognize and recruit exceptional teachers
- Discuss the unique opportunity with them
- Complete initial participant meeting prior to first session
- Complete check-ins for following each session

****Participation Details:**

- Free for School Improvement Services (SIS) Essentials, Standard, and enhanced consortium districts
- Requires a nomination from administration
- Complete initial meeting with administrator prior to first session
- Can attend all 6 Cadre dates without district conflict

****Nomination Process:**

- Ensures selection of high-performing teachers
- Provides commitment and support for attendance
- Offers an opportunity to share learning with others in the district
