

# School Improvement Services

## 2026-2027 Packages

**Core** = Learn it  
**Strategic** = Align it  
**Transformative** = Integrate it

### ◆ From Initiatives to Impact. From Effort to Coherence.

*Supporting aligned leadership, instruction, and student success across your district.*

The systems and capacity built today shape teaching and learning for years to come. **Let us be your trusted partner in the work.**

#### Our Model Offers:

- **Collaboration:** Structured opportunities to connect with others, share effective practices, and build capacity over time
- **Expertise:** Proven instructional leaders with hands-on knowledge of Kansas' accreditation and improvement models
- **Research-Informed Resources:** Curated content and tools with a local perspective
- **Modeling Best-Practice:** Research-based professional learning that is intentionally designed

*Districts may select from three levels of support based on readiness and desired depth of implementation.*

#### ● CORE

##### Access Partnership

*(Equivalent to 2025-2026 Standard Package)*

##### For districts seeking

high-quality **learning**, resources, and regional connection with internal ownership of implementation.

##### Core delivers:

- Learning and exploration
- Capacity-building
- Networking opportunities

##### School Improvement Services role:

Provide high-quality learning, resources, and advice for educators.

#### ➔ STRATEGIC

##### Focused Partnership

*(NEW with LIMITED participation!)*

##### For districts managing

multiple priorities and are ready to **align** leadership, add consistency, and move from learning to coordinated action.

##### Strategic delivers:

- Leadership engagement and resources
- Prioritize alignment & focus over breadth
- Improve instructional consistency

##### School Improvement Services role:

Thought partnering with leaders. Guide priority-setting and provide scheduled consultation with insight and feedback.

#### ◆ TRANSFORMATIVE

##### Integrated Improvement Partnership

*(NEW with LIMITED participation!)*

##### For districts wanting

to accelerate improvement and **integrate** collaborative support for leadership and instruction.

##### Transformative delivers:

- Deeper implementation & sustained efforts
- Monitoring progress
- Responding to evidence

##### School Improvement Services role:

Observer, advisor, and embedded partner; supporting leadership in hands-on, integrated improvement efforts.

### CORE

#### Access Partnership

**CORE delivers the trusted SIS support** districts depend on - high-quality learning, collaboration, and practical resources aligned with district and state priorities.

##### Included Services:

**Onsite Professional Development:** Access to PD scheduled based on consultant availability (first-come, first-served).

**Instructional Leader Virtual Forum:** Receive curated content and resources to guide your work.

**Greenbush Workshops:** Generally included; select specialty sessions may require a fee.

**Teacher Cadre Participation:** Professional learning networks, including: Teacher Leader, Reading and Writing, Math, Advanced Literacy & Math Leader, and K-2 Crew.

**Early Career Teacher Mentoring Experiences:** Provide support for 1st-year, 2nd-year, and mentor teachers.

**Greenbush+ Modules:** Provide entry-level, self-paced modules for foundational learning.

**District Data Profile:** Provides clear data insights for informed decision-making and school improvement planning.

**Virtual Consultation:** Preparation for on-site PD. Limited, additional opportunities for on-demand guidance available for leaders.

**Access to Walk-through Tools:** Aligned with best practices and customizable by the district.

**\*Equivalent to 2025-2026 Standard Package**

Investment = \$6,500 plus  
\$11/student

### STRATEGIC

#### Focused Partnership

**STRATEGIC adds to CORE**, providing focused planning and leadership alignment to prevent drift and turn priorities into coordinated action.

##### Included Services:

**Priority Access for Two (2) On-Site 26-27 PD dates:** Advanced privileges to proactively align professional learning with district priorities (**Requests before May 1, 2026 are prioritized**).

**One Virtual Behavior<sup>^</sup> Consultation:** Partner with an SLS behavior specialist in a 2-hour virtual session.

**Aligning Leadership Around A Focus Area:**  
(e.g. a KESA Fundamental, Math, At-Risk Programming, HIIPS)

**One School-Based PD Needs Assessment:** Identify strengths and uncover gaps for your professional learning leadership.

**Strategic Support Planning:** An individual or admin team will align around a *focused* priority through two structured, 2-hour virtual leadership sessions (fall & mid-year).

**Instructional Leadership Self-Assessment:** Gain targeted leadership insight through an individual or team assessment and two focused, 2-hour virtual consultation sessions.

**Leadership PLC Network:** Engage in cross-district collaboration & shared learning around your *focus* area.

**Year-End Reflection Rubric:** Consider your leadership progress and clarify priorities for the year ahead.

**\*Limited Strategic Partnerships available.**

Investment = \$8,000 plus  
\$12/student

### TRANSFORMATIVE

#### Integrated Improvement Partnership

**TRANSFORMATIVE extends STRATEGIC** through an integrated partnership, delivering on-site PD, leadership calibration, and implementation support.

##### Included Services:

**Two (2) Guaranteed On-Site PD Days:**  
(**Must be scheduled before May 1, 2026**)

**Up to three (3) On-Site Implementation Days:** Devoted to leader instructional walkthroughs, calibration, and planning.

**Additional Behavior Consultation:** Two additional hours (4 total) with an SLS behavior specialists to strengthen outcomes.

**Aligning Leadership Around A Focus Area:**  
(e.g. a KESA Fundamental, Math, At-Risk Programming, HIIPS)

**Guided Consultation with PD Needs Assessment:** Turn insights into action through 1 collaborative consultation.

**Strategic Support Planning:** Same as the Strategic package, with the first of two, 2-hour sessions being on-site.

**Year-End Reflection Rubric:** Guided Review and Analysis with Future Planning.

**District Data Profile:** Includes 2 Hours of Virtual Consultation.

**\*Limited Transformative Partnerships available.**

Investment = \$13,500 plus  
\$12/student
