

Administrative Services

2026-2027

Our collaborative consortium provides support, resources, networking, and professional learning opportunities to school and district leaders. We proudly partner with districts, Kansas Service Centers, and other organizations by supporting current and future leaders with technical and adaptive responses to navigate important and increasingly complex work to successfully lead people and systems.

Professional Learning and Networking

Superintendent Forum & Summit Participation

- Zoom Forums for technical support and resources, networking, and professional learning
- In-Person Superintendent Forums monthly with opportunities to network and learn (*Girard and Lawrence*)
- Superintendent Summits (*January and July*)
- Weekly Friday Notes Newsletter with resources, reminders, updates, and contacts

Leadership Academy
