

English for Speakers of Other Languages (ESOL) Bundle

2026-2027

◆ Build language support. Strengthen instruction. Empower English learners.

Support English learners with one bundled package designed to build staff knowledge, strengthen ESOL programming, and provide practical support throughout the year.

The **ESOL Bundle provides** access to professional learning, collaborative forum opportunities, student learning supports, and targeted consultation to help districts strengthen services for English learners and support staff implementing ESOL best practices.

Bundle Includes

- Four (4) participants attend an ESOL Workshop offered once during the year
- Access to the ESOL Forums during the year
- Two (2) student slots for Rosetta Stone
- Up to two (2) hours of administrator/coordinator consultation regarding your ESOL Programming
 - Consultation topics may include ESOL best practices, language acquisition frameworks, instructional and translation supports, cultural considerations, state ESOL/Title III requirements, professional development planning, group purchasing options, and processes for supporting dual language learners.

Bundle Pricing
